'TIS IS THE SEASON

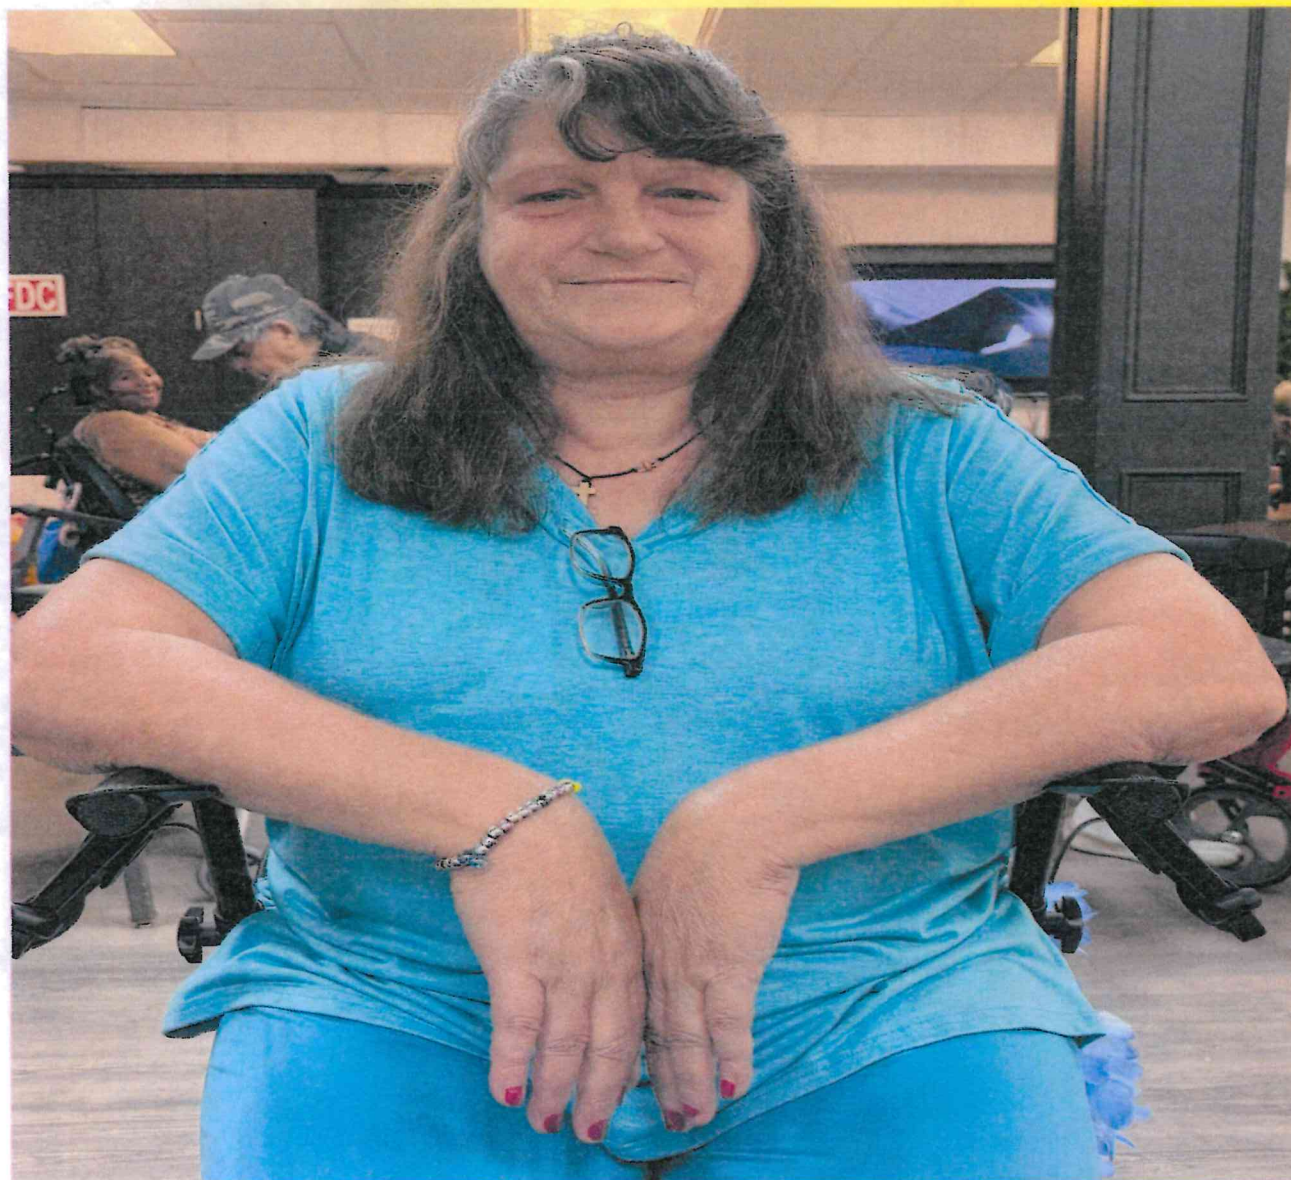

"Family is the greatest gift of all this Christmas" and "Together is the best place to be this Christmas" are popular quotes about family during the holidays. Other options include "Christmas is a piece of one's home that one carries in one's heart" or "The best of all gifts around any Christmas tree: the presence of a happy family all wrapped up in each other".

TARA ANAYA

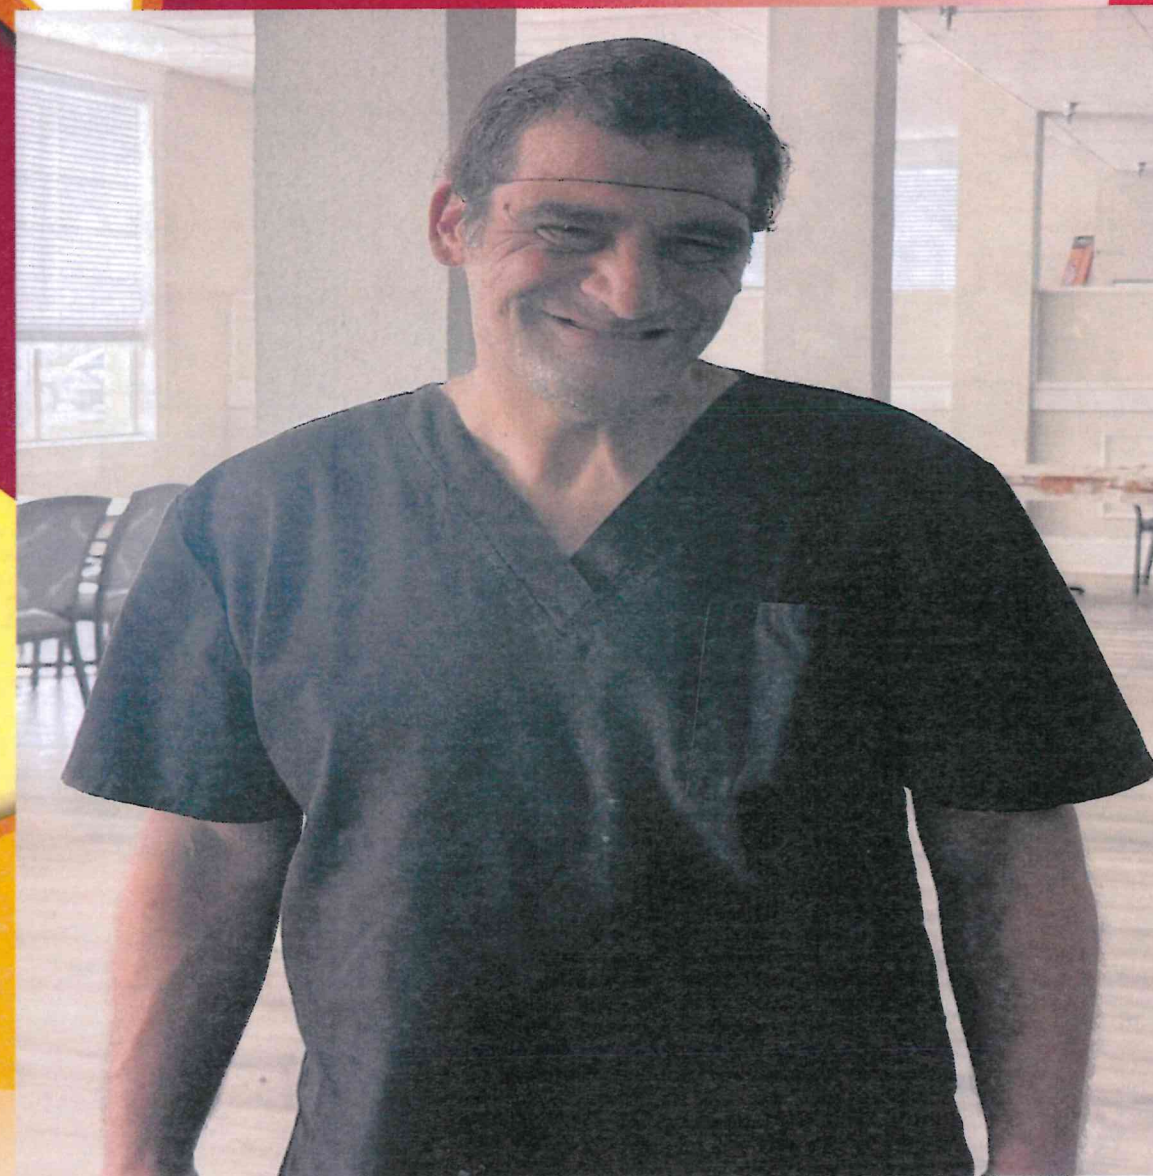

“ Our hearts grow tender with childhood memories and love of kindred, and we are better throughout the year for having, in spirit, become a child again at Christmastime.”
